LAURENT CLERC NATIONAL DEAF EDUCATION CENTER

Gallaudet University

800 Florida Avenue, NE

Washington, DC 20002

Website: clerccenter.gallaudet.edu

Phone List of Departments: clerccenter.gallaudet.edu/About/contacts.html

Gallaudet University's Laurent Clerc National Deaf Education Center shares the concerns of parents and professionals about the achievement of students who are deaf and hard of hearing in different learning environments across the country. The Clerc Center has been mandated by Congress to develop, evaluate, and disseminate innovative curricula, instructional techniques, strategies and materials. The aim of the Clerc Center is to improve the quality of education for children and youth from birth to 21 years of age who are deaf and hard of hearing. The Clerc Center is comprised of:

- Kendall Demonstration Elementary School (KDES)
clerccenter.gallaudet.edu/KDES
- Model Secondary School for the Deaf (MSSD)
clerccenter.gallaudet.edu/MSSD
- Exemplary Programs and Research
clerccenter.gallaudet.edu/EPAR
- Training and Professional Development
clerccenter.gallaudet.edu/TPD

- Publications and Information Dissemination
clerccenter.gallaudet.edu/Clearinghouse
- Information Systems and Computer Support
clerccenter.gallaudet.edu/ISCS

THE POSTSECONDARY EDUCATION PROGRAMS NETWORK (PEPNet)

National Center on Deafness

California State University, Northridge

18111 Nordhoff Street

Northridge, CA 91330

(818) 677-2099 (Voice/TTY)

Website: www.pepnet.org/west

E-mail: pepnetwest@pepnet.org

This one of four Regional Postsecondary Education Centers for Individuals who are deaf and hard of hearing was created to ensure that every postsecondary institution in the United States could easily access the technical assistance and outreach services that the Centers provide. Services and training are provided for coordination of support services, postsecondary legal obligations, working with students who are hard of hearing, interpreting, captioning, and notetaking, print to text technology, assistive listening devices, orientation to deafness, vocational education, and additional topics.
